Folders

We produce many different size and styles of presentation folders, below are our most popular folders. If you cannot see what you are looking for please contact us with your requirements.

A4 Single Pocket Flat Budget Folder

Our A4 Budget folders are printed full colour on the highest quality 350gsm silk artboard and include an unprinted pocket with business card slots.

Quantities up to 1000 are printed on the smaller of our two high quality digital presses and are therefore not suitable for printing large areas of solid colour or gradients. This makes them ideal for press packs where a logo and contact details are required.

If you are unsure whether your artwork is suitable for this process please give us a call and we will try our best to come to a solution that best suits your requirements.
